

## **CHARTER MEMBERSHIP OFFER**

Yachtsmen who take advantage of our Charter Membership Offer at Stockton Harbor will not only be docked at a secure, state-of-the-art marina in a naturally protected harbor, but they will receive a 15% Discount on Seasonal Docking Fees and a Fuel Discount of 20¢ OFF per gallon on all fuel purchases. In addition to these savings, Charter Members will receive our "Daily Dock Watch" program for FREE (a \$250 value). Charter Members will also receive a 3-year RATE GUARANTEE.

With our Daily Dock Watch program, your boat is in great hands when you're away. Our dock staff will inspect your boat each day to make sure

- 1) all lines are secure and tidy,
- 2) power cords are secure at the power pedestal and the boat's shore power connection,
- 3) the pedestal power breaker has not been tripped,
- 4) power cords are not chafing or in the water,
- 5) water connections are tight and secure,
- 6) check and monitor boat's waterline to indicate whether or not bilge pumps are operating properly or of any potential water intrusion,
- 7) check doors, hatches and equipment is secure,
- 8) overall inspection of canvas, riggings, fenders, antennas for any potential problems,
- 9) advise owners of approaching storm events,
- 10) provide assistance during storm or high wind events to secure boat and property.
